About Fr. Agnel Business School

Established in 2001, Fr. Agnel Business School (FABS) is one of the many excellent educational institutions established by the “Agnel Ashram Fathers in Vashi, Navi Mumbai”. Admitting only 60 students every year, FABS is affiliated to Mumbai University and offers Master’s in Management Studies program (AICTE approved).

At Agnel’s, we believe that the best learning happens when sound conceptual inputs are accompanied by well-designed practical experiences. This provides an opportunity to the students to try out new approaches and get out of their comfort zones.

Our Faculty members have substantial teaching and industry experience. Pedagogy is very important at FABS and the faculty members constantly upgrade their methods and find new and better ways to build students’ knowledge and skills. Our alumni, who are well placed in industry, are frequently invited to campus to address and connect with students.

Our students are exposed to various skill building activities during the course of the 2 year program.

Admissions happen through a centralized admission process conducted by Directorate of Technical Education, Maharashtra.

DIRECTOR GENERAL

Dear Recruiter,

It is with immense pleasure that I introduce you to the 17th batch of Masters of Management Studies (M.M.S) at Fr. C. Rodrigues Institute of Management Studies. This batch represents an enthusiastic and committed group of mature managers ready to lead industry.

The student centric focus of this centre for learning has always strived to achieve a transformational change in the students by instilling in-depth knowledge-base, accelerated improvement in communication and presentation skills, and creating that overall panache in the way they conduct themselves in life. FABS has thus evolved into a destination of preferred choice for MBA aspirants in the Metropolis.

The journey to the top is always arduous and remaining there even more onerous. The work culture and team spirit imbibed into the team however will fortify our position there for years to come.

*Best Regards,
Prakash Vaithilingam*

DIRECTOR

It is indeed my proud privilege to open the doors of Fr. C. Rodrigues Institute of Management Studies for you and welcome you into a world of endless possibilities in the field of management. The Institute has been in existence for more than fifteen years. The meaning and context of management education has completely changed in today's dynamic business environment. Management education does not only mean acquiring textbook knowledge, coveted degrees and getting jobs in the organized sector, but also developing an empathy for creating opportunities and a better world for the under privileged and under developed sections of society.

At our institute, we develop course curricula that encourages our students to learn not only inside the classroom, but through case studies, live case examples, simulation games, on the field experiential learning, guest lectures from industry experts and self-learning through involvement in various activities. The Institute also provides opportunities for students with entrepreneurial abilities.

Along with my colleagues in the faculty and staff, I welcome you whole heartedly to Father Agnel Business School and look forward to be with you in your journey towards excellence. Together, let's build a great future for ourselves and our country.

- Dr. Sujata Chincholkar
